

*NewHire Basic* is great for do-it-yourselfers! *Basic* is the solution for small businesses looking to take full control of their hiring process with the power of our software.

Here's what you get with *Basic*:

## 1 Job Title

*Basic* allows you to hire unlimited people for one job title. For example, you can hire multiple Office Managers because it is the same job title.

## Recruitment Advertising

Our software packages include free advertising for your open positions on Indeed.com, SimplyHired.com and our NewHire Job Board. Additional premium advertising packages are also available. [Learn more.](#)

## 1 User

*Basic* allows access for one user.

## Price

*Basic* is just \$499 for 3 months!

## Option to Extend

Extend the duration of your *Basic* package past 3 months for just \$99/month!
